

The Midweek

Wednesday, January 22, 2020

I recently had the opportunity to see the Broadway play "Hamilton" which is the musical show about the life and times of our first Secretary of the Treasury, Alexander Hamilton. It has taken the musical theater world by storm and now that I have seen it, I can understand why. It's definitely different than what I consider "traditional Broadway."

My favorite song in the entire production is called "A World Turned Upside Down" and it begins by announcing that the scene will be about the "Battle of Yorktown, 1781." (You can watch it on YouTube if you want to see what I am talking about.)

The whole story is about how the world was shocked when a "young, hungry and scrappy" United States won the War of Independence against Great Britain, which at the time was a global superpower. With the help and support of France, the world political stage was forever changed.

But that series of events pales in comparison to how "the world turned upside down" when Jesus was born and commenced with His ministry. His followers were also accused of doing the same. "When they could not find them, they dragged Jason and some believers before the city authorities shouting, 'These people who have been turning the world upside down have come here also." (Acts 17:6, NRSV)

With everything going on in our denomination, it may feel as if our church world is being turned upside down. Over the past few weeks, I have had scores of people calling or stopping by my office to chat about what the potential outcome of the protocol could be. Please know you are always welcome to stop by and speak with me or Steve, but honestly we don't know.

Within 72 hours of the announcement, there were both traditional and progressive movements, conferences and groups threatening to pull out while others were considering how they might join. Literally only God knows what is to come.

But that is where we can find our comfort because God does know and its in His hands. While our world may seem upside down and inside out, God is in control, as He always has been and always will be. Compared to when Jesus came into the world, this issue is more of a road bump than a true upending of the world. God brought us to an incredible place because of Jesus. He will do the same as we deal with the future of the UMC.

And to God be the glory forever and ever.

NOON

Take advantage of your lunch break and get moving! Try a nearby gym, or grab a colleague and go for a walk. Plus you feel energized to face the rest of the afternoon.

Abundant Health

THE UNITED METHODIST CHURCH

Taking the kids to sports practice? Use the time to get some exercise! Instead of sitting on the sidelines, walk some laps or go for a jog as you wait.

EVENING

When you get home for the evening, go for a walk with the dog or some more intense cardio with a video at home. Evenings are also good times to visit the local gym before or after dinner.

Aim to get at leaast ten minutes of exercise at a time. As you get better and it becomes part of your routine, gradually add more time or challenges until you are getting 2.5 hours a week.
